### SCHOLARSHIP POLICY

Arunachala College of Engineering for Women was established with the vision of providing quality technical education to girl students from rural backgrounds. Taking into consideration of the economic status and to help them in achieving their dreams, our institution has decided to provide scholarship for such students.

The management made the following policy decisions for providing scholarships to the students.

#### **FULL FEE WAIVER:**

1. Students who score more than 590 out of 600 in higher secondary examination can avail a 100% full fee waiver scholarship

#### **PARTIAL FEE WAIVER:**

1. Students who secure between 575-589 marks out of 600 in higher secondary examination will get a 50 % tuition fee waiver.
2. Students who are economically weak with 60 % of marks are eligible for a partial fee waiver based on their parent's income level.
3. Students who got district or state level awards in sports can also avail special fees concession.

This scholarship is designed to provide financial assistance in tuition fees belonging to the economically weaker sections. The above mentioned scholarship program will be effective from this academic year onwards.
