Semester2 Quarter 3	Thrust area: IIC calendar Activity
Theme	Poster presentation of business plan & linkage with innovation ambassadors manage through YUKTI -NIR
Activity Name	Demo day, Exhibition, poster presentation competition
Mode of Conduct	Offline
Time	8 Hours
Participants	Students:250 Faculty: 15
Program Date	25.5.2023
Program Coordinator	Dr.T.S.SIVARANI, IIC- Convenor, Ms .M.V. REENA, IIC-IPR Activity co-ordinator, Arunachala College of Engineering for Women
Number of Expert Participants	25
Expenditure	2000
Mode of Delivery	Offline
Remark	Attractive visual impact to entice people to read it.
Objectives	Posters should have focus points, and the intended message should be clearly conveyed through simple sections. The beauty of a product demonstration is that you are able to engage, inform and inspire your consumers and help them on their purchase journey
Benefits in terms of learning/skill/knowledge development	To offer the opportunity to hear directly from our founders about the innovative companies they have been building throughout the year.

Report

Our college organized exhibition / poster presentation of business plan & linkage with innovation ambassadors on the 25th of May, 2023. **Dr. C . AGEES KUMAR PROFESOR/TECHNICAL HEAD ARUNACHALA TECHNOGIES**, was the chief guest of the event. Principal **Dr.S.JOSEPH JAWHAR**, Arunachala college of engineering presented the felicitation address. Attractive visual impact to entice people to read it. Posters should have focus points, and the intended message should be clearly conveyed through simple sections. The beauty of a product demonstration is that you are able to engage, inform and inspire your consumers and help them on their purchase journey. To offer the opportunity to hear directly from our founders about the innovative companies they have been building throughout the year. The exhibition was spread over one day and had a number of students and staff participating and collaborating hand in hand to make the event successful. The event started at 2 pm and continued till 4 pm.. They had to judge the participants that put up their display and give trophies to them.

Semester1 Quarter 3	Thrust area: IIC calendar Activity
Theme	Students Motivation and Idea Generation
Activity Name	WORKSHOP ON PROTOTYPPE/PROCESS DESIGN AND DEVELOPMENT
Mode of Conduct	Offline
Participants	Students: 83 Faculty: 4
Programme Type	Skill Development Program
Online Resource	https://fb.watch/jybvm5tJS/
Program Date	23.03.2023
Program Coordinator	Dr.T.S.SIVARANI, IIC- Convenor, Ms .M.V. REENA IIC-IPR Activity co-ordinator, Arunachala College of Engineering for Women
Remark	The program was an interactive session and lively. The presentation of resource persons was excellent with the ideas which were very beneficial to students.
Objectives	The overall goal of process design is to achieve performance consistency across a specific business procedure.
Benefits in terms of learning/skill/ knowledge development	The objectives of the design need to match the performance objectives of the operation (quality, speed, dependability, flexibility, cost and sustainability). There should be micro-performance objectives used that describes process flow performance.
